Dear applicant,

Enclosed please find a stadium vendor site allocation form. Mark your site preferences from 1 to 30 on this form. Put the number of your preference in the box indicating that site's location. If you are selected, **your location based solely upon this list**. If you are not willing to accept certain booths do not place a number on the form next to that location.

We will not assign any locations to applicants who did not return this form.

Very truly,
